

For the summer of 2012  
*Art in a Suitcase* presents...

# Going Batty -

**Animals That Work the Night Shift**

Bats, opossums, fireflies, raccoons, owls, skunks and more are featured in this fact filled program on nocturnal creatures. Audience members will create a possum project to take home.

# Dream Big -

**You Can Be an Astronaut!**

Cub Canabearal, the Space Bear, will be on hand to help illustrate true facts about being an astronaut and exploring the moon and planets. Everyone will do a stellar art project as well.

## ***They Dreamed Big, Life in Ancient Egypt,***

will be offered for middle schoolers. This project includes a metal tooling art project.

Base price is \$120 for *Going Batty - Animals That Work the Night Shift* & *Dream Big - You Can Be an Astronaut*. The Egyptian program is \$135. Modest mileage will be added.
